[1] Group members take turns to give a brief biography of the author and a short summary of critic responses, both positive and negative.

[2] Group members take turns to prepare questions to stimulate discussion. Discussion questions are often published on line by publishers, and failing this, there are generic questions.

There are multiple copies of each title in the library system. It is recommended that, at the beginning of the year, members take this entire list to their local library. A librarian can reserve them all and hold the reservation until 4 weeks before each meeting date. This way, the reservation remains at the top of the list until needed.

If you have any questions, or are unable to make it to a meeting, please contact me on 0410 126 737 or kaybennetts@internode.on.net.

I'm looking forward to a stimulating year of reading and discussion.

Regards,

Kay Bennetts
