No 106 November 2018

Enrolment Day

Monday, 3 December 2018 from 9:00am.

Membership/Enrolment applications received in person on enrolment day are given priority.

Applications received in other ways will be processed after personal applications on enrolment day.

A member may present a proxy membership/enrolment form for **one other person only**.

Payment on Enrolment Day

Payment for Out and About events must be made separately from that for membership, preferably in cash.

Payment for membership (\$70.00) may be made by credit card, cash, cheque or by attaching a copy of the payment slip to the membership/enrolment form if you have used internet banking.

We have only one EFTPOS machine so there may be a queue to process. Using internet banking or cash/cheque may be quicker on the day.

Payment when Posting

Members who post in their membership/enrolment form and wish to pay by credit card must complete the credit card details on the form. Once payment has been approved your details will be blanked out. Cheques will also be accepted but please do not send cash.

Membership/Enrolment Form

Each member will need to fill out an individual Membership/Enrolment form. There will no longer be a joint form for couples. This will prevent errors where the wrong column has been used on the booking sheet on the back of the form.

If you are a renewing member you do **not** have to fill in your personal details again **apart from your name**. Just write "**no change**" in the address line. However, your signature to agree and abide by the Code of Conduct (last page) is required.

Email Delivery of the Newsletter

If you have given us an email address, you will automatically receive the Newsletter by email. If you want a printed copy, it will be available at the office.

If you already receive the newsletter by post, you will continue to do so.

Please remember that you can also get a copy from our website.

Holiday Shorts Program 2019

Commences on Monday, 21 January through to Friday, 1 February 2019.

Delegate to U3A South Australia

We are looking for somebody to take over from Pauline McCreery in becoming U3A Adelaide's delegate to U3A South Australia. There are only two meetings a year, held at Tea Tree Gully U3A. This is a good opportunity to mingle with members of other U3As.

If you are interested in maintaining the profile of this great organisation, please contact Pauline, via the office, for additional information. It is certainly not an onerous task.

From the President

Hi everyone,

This is our last Newsletter for 2018 and already preparations are well under way for 2019 by our excellent band of helpers. We recognise and appreciate the valuable service freely given by so many of our members which enables our U3A to run efficiently.

I think that 2018 has been another successful year, with programs available in a wide variety of styles to, hopefully, meet the interest of members. Don't forget, if you have skills that you would like to share with others, either as a one off, or for a season, please speak with one of our office volunteers who will be happy to take details from you and pass it on to the appropriate committee. Also, if you would like a particular course or activity to be undertaken by U3A Adelaide, let the office know; we might be able to accommodate it if there is someone prepared to run the activity.

As it is getting very close to enrolment time, it is appropriate for me to thank those who were able to make a donation this year, over and above the membership fee. These donations have enabled us to replace the curtains in Room 4 which were well overdue; purchase a chair trolley, also for Room 4, to enable the chairs to be stacked and moved easily; and to replace some of our older computers. As most of us would be aware, computers do have a replacement time and there are others that will be replaced.

We have a very good working relationship with our co-tenant of The Box Factory, the Community Centre, and this has been further enhanced this year by the appointment of a liaison officer to co-ordinate the work of both groups in maintaining both good relationships and getting necessary maintenance work done.

On your behalf, I would like to again express my thanks to your Board members, office staff, tutors and committee members who give freely of their time and skills to make the University of the Third Age – Adelaide Inc such a great organisation.

Jim Wilson, President
