Hi all.

As discussed here are suggestions for next year's reading list. Please google on Wikipedia and reviews so we can see whether they make the final cut. This is not an exhaustive or definite list.

1. Never Let Me Go by Kasuo Ishiguro
2. Lolita by Vladimir Nabokov
3. The Well by Elizabeth Jolley
4. Bay Swallows Universe
5. Middlemarch by George Eliot
6. Brideshead Revisited by Evelyn Waugh
7. Genghis Khan & Making of Modern World
8. The Trauma Cleaner
9. The Shore by Laura Taylor
10. Talking to my country by Stan Grant
11. The Man Who Loved Children by Christina Stead.

Please add to the list, particularly if you haven't suggested one yet. Also, if you have suggested a book please find out the number of books available as this will influence our decision.
